Dear Potential Supporter,

Adventure n Beyond is a non-profitable adventures company that focuses on personal and leadership development of underprivileged children through the use of experiential education techniques in a safe and stimulating environment.

We would like to offer children from disadvantaged communities the opportunity to join us on one of our camps during the course of the year, especially our camps we are planning during the school holidays. We are however in great need of sponsorship to enable us to give this opportunity to these children.

We are in need of sponsorship to take these children on our upcoming holiday camps.

Cost per child for a 5 night/6 day camp including transport and R50 tuck shop money: R1200.

Just a brief overview of what the camps will entail:

- Children will have the opportunity to experience a new environment - some for the first time in their lives
- Leadership development sessions using the environment and interactive sessions
- Life skills training
- Adventure activities such as abseiling, archery, arts & crafts, hiking, paintballing and much, much more
- Children will be accompanied by highly trained facilitators/instructors, and a qualified teacher.

If it is at all possible for your company/division to support some of these children it would be greatly appreciated. Whether you are willing to partially contribute, fully sponsor a child or sponsor more than one child your contribution would be greatly appreciated.

We will give full-feedback after the camp on the camp as well as feedback from the child/children that you have sponsored. Our next 2 upcoming holiday camps are from 13-18 June and 18-23 June 2010.

Your participation in this adventure would make a huge impact on the lives of these children. Your positive consideration would be highly appreciated.

Should you require any additional information, please don't hesitate to contact me.

Yours sincerely,

Regards,

Paul Grobler
