

Hallo Paul

Hoop dit gaan nog goed daar.

Ek wil net weer graag baie dankie sê vir die kamp en die 'input' wat jy gemaak het - jy het regtig 'n gawe om met die jongmense te werk. Hulle ,en ek, het dit baie geniet - hulle kan nou nog nie uitgepraat raak nie.

Ek sal hulle graag volgende jaar weer wil bring. Hopelik sal ek dan ook meer energie hê en als kan saamdoen.

Mooi bly en alles van die beste!

Hi Paul

I hope this e-mail finds you in good spirit and busy doing God's calling!

I promised you a feed back on our confirmation camp and here it is!

All my confirmees loved the weekend, and they thought the choice of campsite was great! The challenges were well worked out and (as usual) the absailing was fantastic! I liked the place we absailed from as it is not as intimidating as the bridge!! As you know, I have been doing this for four years now and we (Discovery Methodist Church) have been using your services for six and I can honestly say, this was the best one ever!

Paul, you have been blessed with great facilitators and I would like to thank Andrew and Alistair and Luarent(?) for their personal and professional help during the weekend! May God continue to bless you and all your future endeavours as you strive to serve His Kingdom on earth.

Yours in Christ

Mike Laubscher.
